Jared Ng

jarednjk@gmail.com ❖ https://github.com/jarednjk ❖ (65) 9664-8773

I'm a full-stack coding bootcamp graduate excited to enter the tech industry. Having previous experience as a product marketer in the printer and IT solutions industry, I am customer-centric and have adopted strategic planning and business skills. I enjoy logical thinking and am seeking opportunities in full-stack, backend, or frontend development. I am open to new technologies and look forward to continuous learning and growth so I can best contribute to my team.

EDUCATION

Trent Global College   **May 2022 – Sep 2022**
